Each year around the world, International Women's Day is celebrated on March 8th. Thousands of events will occur on this day to mark the cultural, economic, political and social achievements of the women of Earth 2012. The dhyana Center Lofts invites you to celebrate in solidarity with women & families in communities not so unlike our own all over the planet...

Sliding Scale: \$10-\$20 Tickets available at the door & www.brownpapertickets.com
